

R-SPEC

MUSTANG

Introducing the special edition Ford Mustang R-SPEC – the most potent, performance-focused Mustang ever available from your local Ford dealer, created in collaboration with Herrod Performance. Powered by a Ford Performance Supercharged 5.0L V8, every Mustang R-SPEC is individually numbered and styled with unique black exterior treatment, R-SPEC specific alloys and one-off boot lid spoiler. Riding on lowered Ford Performance suspension, it's the ultimate special edition Mustang.

S = Standard O = Factory Option that can be ordered before a vehicle is manufactured

1. Capless refuelling with misfuel inhibitor. 2. Fuel consumption and emissions as per ADR 81/02 (combined cycle) and to be used for vehicle comparison purposes only. It is unlikely that this fuel consumption figure will be achieved in real world driving conditions. Actual fuel consumption will depend on many factors including the driver's habits, prevailing conditions and the vehicle's equipment, condition and use. 3. Traffic Information is provided through an arrangement with Intellematics Australia Pty Ltd. Traffic Information is based on data provided with the permission of one or more third parties. Should Ford's arrangement with Intellematics Australia Pty Ltd. cease for any reason, the ongoing provision of traffic information cannot be guaranteed. 4. Apple CarPlay / Android Auto requires phone with compatible version of Apple iOS / Android™ (as applicable), active data service, and connection cable (sold separately). SYNC® does not control Apple CarPlay / Android Auto while in use. Apple / Google and other third parties are responsible for their respective functionality. Message and data rates may apply. Apple CarPlay, Siri Eyes Free, iPod and iPhone are trademarks of Apple Inc. registered in the US and other countries. Android Auto and Google Maps are trademarks of Google Inc. Ford Applink® is available on selected SYNC® models and is compatible with select smartphone platforms. Warning: Local laws prohibit some phone functions while driving. Check your local road rules before using these functions. 5. Bluetooth® is a registered trademark of Bluetooth SIG Inc. and is used under licence. Please refer to ford.com.au for mobile phone compatibility. 6. Not all SYNC® 3 features are compatible with all phones. 7. The Emergency Assistance feature needs a paired and in range mobile phone. Can activate in the event of a crash which deploys an airbag or activates the fuel pump shut-off. 8. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate in some driving and road conditions (including at certain speeds) or adverse weather. 9. Prestige paint incurs an additional charge.
